Dear Farid,

Thank you very much for your letters and the telephone call's, nice to hear that you are ok. I'm alright as always ^(hope) and I hope it is the same with you. You've had your exams already, haven't you? Did you pass your exams, I mean ~~do~~ have you heard anything? Hope you passed your exams, infact I'm quite sure you did, you used ~~to~~ to work hard, didn't you? The school start again tomorrow, it's Sunday today, and I'm sitting in my room listening to music. Nice, huh? I'm looking forward to go to school again!! So do my parents (!), They're glad I'm back again, safe. So I'm I, in a way though. I miss England, funny that is, because I ~~was~~ felt quite miserable in the end. Anyway I'm sure I will "be back" in England quicker than I thought. Have you met a

girl lately? My "old" boyfriend
visited me Saturday, he is nice,
good looking, but, oh I don't know.
... I suppose you have met
a girl you fancy, ha? I'm
I right? I think so! He, he. I'm only
pullin you leg! Was that right?
Did I spell it right? Never mind,
I can speak English but I'm
not a good writer, never mind,
It's not "that" important.
I'll send a photograph of
myself, so if you want keep
it! If not, then put it in
the ~~bin~~ bin! He, he.

I hope you are still want
to write to me!

~~Take care!~~
I "can't" write any more
now, because my mum is
shouting at me upstairs!

Love from me.

Take care!
