Dear Farid,

Nice to talk to you again,
very nice! It's feel
strange, but you make
me feel better every
time I've talked to you.
I don't know what I like
so much about you, but
it's something that's fer-
sive. The first time you
phoned me (about two weeks ago)
you asked if I ever been
thinking of you when I
had my problems. Well, I
told you that I never did.
But that's not the ~~truth~~
truth, actually I did a lot.
I don't know why, but I

just wanted to forget all
about you but I never
did. Please believe me because
I'm telling you the truth now.
Thank you very much
for listening to ~~at~~ me when
I told you about my
problems. I don't know ~~understand~~
why you're bothered.
Have you ever listened to
Randy Crawford. She's my
favourite! Specially her first
solo LP: "Raw Silk" and
"Secret Combination". She's got
a great voice and lyrics
are ~~to~~ just wonderful. If you
haven't got any records of her
please buy one or two and
listen to them. There specially two
songs I like very much.

having the baby. ~~Oh god~~
Oh god, its not fair!
You go ~~into~~ the hospital
and , and afterwards
you feel empty, oh so
empty. And in a way
you start to hate him,
and you hate yourself for
what you have been doing to
your body and the baby.
And you start thinking of
life, why people ~~are~~ ~~are~~ ~~are~~ ^{are}
doing what they do in diffe-
rent situations and you
feel, well nothing really and
after a while you'll ~~be~~ end
up like me. I dont trust
anybody. I dont! And I
hate my self for thinking
the way I do. But I cant

~~Dear Heidi~~
~~How are you doing?~~
~~I hope you are well.~~

help at. I suppose it is
a way of protecting myself.
~~from~~ I want to be realistic,
but people tell me that
I am cold and hard. Do you
understand what I mean? I think
that's why I think of you,
just because "you make me
feel me" I can't talk to you
without being afraid of
being laughed at. Well, Heidi
I haven't got anymore paper left so
I better end it here.

Kiss and love from Heidi.

know!! Well, its not just
a baby, I'm just trying
to tell you, and make
you understand how it
feels for a girl. And when
you had that abortion
you'll loose him anyway,
and you ~~do~~ feel helpless.
Absolutely terrible. Oh, it
make ~~me~~ cry when I know
whats she is going through
now. I am so sentimental
I know that, but thats some-
thing I can't change. I am
sorry to tell you about this
again, but there's so much
I ~~can~~^{can} see ~~of~~ myself in
the girl! And all the
stupid excuses the boy
uses ~~just because~~ of not

her good. She phoned me
yesterday and she felt
so depressed. Oh, it makes
me feel so sad when I hear
about things like that because
I know how ~~it~~ it feels.
Oh, it feels just terrible. You
know what you want to
do, but you have to think
about the other one ~~to~~ ~~the~~
~~boy~~ who is involved too, and
if he wants you to ~~have~~
an abortion well, is there
anything to do except for
having an abortion?? Because
you like the boy very much
and you don't want to lose
him "just because of a baby"
and then you go to the
hospital and... well you

I know that you will try
hard to love your wife
properly. So I hope you had a
laugh when you read it.
Theres a lot of ~~things~~
thought I would like to
share with you but I just
dont dare to talk about
that to you or anyone else.
It feels good to know
that you care about me
as a person and not just as a
"Sex-object". Seriously, I mean
it. It feels very nice!
But still I think were
gonna loose contact when
you get married. Your
gonna get married first, I know
that! I'm not gonna get
married now that for sure.

There's more I like so much
that makes me think of
marriage. So I better get
me an good education so that
I can support myself so
that I don't need a fool
of a man to support me
if he leaves me and our
children. But I hope we'll never
lose contact again Fand.
And if I ever get married
you would be (very) welcome
to my wedding; and if you
have a wife, she would obviously
be welcome too. Well, this
is only wishfull thinking.
~~too~~. I told you about the
girl who has got pregnant
poor little thing. My friend,
the boy is not ~~the~~ ~~thing~~ ~~thing~~

Bloody he... , I don't know why
I think of you. Why can't you
marry two women? He, he
That was a joke! I can't
~~to~~ finish my studies here in Norway
first and then I'll come ^{over} to
England and get married to
...!! You would probably
be old and dead then!!
He, he What about marrying
an Egyptian and a Norwegian
girl? A blond and a dark
one, that should be a good,
or should I say a nice combi-
nation!!? Marry the Egyptian
one first and when you're
fed up with each other I'll
come over and... Well,
what I last wrote that
was meant to be a joke, beans

The song I like best is: "I hope
you'll be very unhappy without"
me (Rauw Silk) and the
other one is: "Trade winds"
(Secret combination). If you
don't buy them I'll buy them
to you!! If you're gonna buy
a record or two, please don't
buy the new (old) records ~~the~~
~~the~~ of her. They're not good
at all, because that's just
horrible ~~disco~~ pop-disco. She
held a concert here in
Bergen, in February I think it
was and she was just
super! Well, that's enough
about Randy Crawford. So
how are you Farid? Fine
I hope. You know what?
I think a lot ~~about~~ ^{of} you!
